

OBJECTIVES

After over 4 years of having my own practice I am in search of projects that will allow me to continue to build on my professional design experience while contributing to the people, their needs and the environment.

EDUCATION

Masters Degree in Architecture and Urban Design. 2001.
University of Buenos Aires, Argentina. Faculty of Architecture and Urban Design.

Architect Registration Exam in progress. Anticipated completion date 2014.

SKILLS

PC assisted design systems: AutoCAD 2012, Revit 9.1, Sketch Up 8, Photoshop, Illustrator, InDesign, MS Office.
Model making ability.
Languages: bilingual in spanish and english.

WORK EXPERIENCE

PAZ MARTINEZ DESIGNS. Present.
Owner/Principal Designer.

I opened my own practice in November 2009 and have taken my own projects since then:
1911 John Towers - Office/Warehouse tenant improvement for Taylor Guitars. El Cajon, California.
Dolcetti - Salon + Boutique tenant improvement. Gaslamp Quarter, San Diego, California.
DFS Flooring Headquarters - Office/Warehouse tenant improvement. Scripps Ranch, San Diego, California.
Interior remodel for a single family residence in Mission Hills, San Diego, California.
Interior remodel for several apartments at Allegro Tower. Little Italy, San Diego, California.
Family house outside Buenos Aires, Argentina (sustainable design).
Interior remodel for two studios at the Allegro Towers, Little Italy, San Diego.

Paz Martinez Designs has also contracted work with the following firms:
LUCE et Studio
Bluemotif Architecture
Davis Davis Architects
Hoard Specialist

GRAHAM DOWNES ARCHITECTURE. San Diego, California. January 2006 to November 2007.

Principal Designer/Job Captain. Led all phases of design for the following projects:
